### Degrees Obtained

Degree	University	Field of Specialization
M.Tech	JNTUA, Anantapuramu	CSE
B.Tech	JNTU, Hyderabad	Computer Science & Information Technology

Years of Experience :: 11Years 3 Months

Memberships in Professional Bodies :: ISTE

Research Papers Published ::

Published a paper titled "Data Compression for distribute node grouping and efficient cost transmission in WSN using Leach Protocol", in International Journal of Computational Science, Mathematics and Engineering, IJCSME, Vol.3, Issue.1, January 2016, E-ISSN-2349-8439.

Conferences Attended ::

Attended International Conference on Computer Science & Informatics (ICCSI-2012) titled "Distributed node computing for data compression and minimal cost transmission in sensor networks, IRNet".

Workshops Attended ::

1. Workshop on ASP conducted by Narayana Engineering college, Gudur
2. Recent trades in information technology conducted by Sidhartha Institute of Engineering and technology
3. Recent trades in Research in methodologies for Engineering and management conducted by K.L.M college of Engineering for women.
4. Attended One Day Workshop on IBM Bluemix, conducted by K.S.R.M.College of Engineering on 30<sup>th</sup> December 2015
