KSRM COLLEGE OF ENGINEERING AASARA SCHEME

MOTIVE:

KSRM college of engineering provides a range of engineering programs. The primary aim of this policy is to disclose the fee structure and scholarship opportunities accessible to students across these diverse programs.

SCOPE:

The purpose of this document is to establish and formalize the hostel fee waiver policy under the "KSRM COLLEGE OF ENGINEERING AASARA SCHEME" for cohorts commencing their studies in 2018 and beyond, encompassing all programs provided by KSRM College of Engineering. It is important to note that this policy does not delineate the admission criteria; such criteria are distinct and are communicated through separate admission notifications for each academic year.

POLICY STATEMENT:

In this program, a Tuition fee reduction of 10,000/- is extended to students as an incentive to enroll in a range of programs, including B.Tech and M.Tech. The objective of this policy is to alleviate students' financial burden by offering them a discount equivalent to the specified amount on their Tuition fees.

PROCEDURE:

Among the enrolled students, a fee waiver is provided to those who belong to SC,ST, BC and do not receive any scholarships and are enrolling in various programs, such as B.Tech and M.Tech.

STUDENT ETIQUETTE:

The tuition fee exemption applies to the entire duration of the B. Tech program spanning four years, and the two-year M. Tech program offered by the college. This benefit is contingent upon the students maintaining good behavior within both the hostel and college premises, as well as consistently upholding satisfactory attendance records and achieving commendable grades.

Should a student who is benefiting from the tuition fee waiver fail to adhere to the established code of conduct, they will lose their eligibility for the fee waiver for the current semester and any subsequent semesters. Instances of such misconduct will be promptly reported to the college's head authority accompanied by concrete evidence. A comprehensive inquiry will be conducted before any final decisions are reached.
