Subject: Project work order for developing "Navigation engine: Junction View."

Dear Sir

With reference to our discussion, we are pleased to offer project work to develop "Navigation engine: Junction View" within one year from the date of acceptance. This project work carrier's value is Rs 4, 00,000/-(Four lakhs Rupees), which will be released at the design submission to our technical team at Virtualmaze, Chennai. This work is under fully confidential mode by agreeing to the following terms and conditions

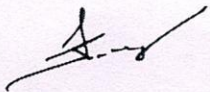

1. A letter stating agreeing with the project work on personal letterhead need to be given
2. The proposed project work outcomes should be given to Virtualmaze Softsys Pvt Ltd, Chennai.
3. This work involves software development aspect purely
4. Based on Quarterly project progress report, an amount of Rs 4, 00,000/- (Four lakhs Rupees) will be released in instalments.
5. Please send the bank account details along with the consent form.

Thanking you

Respected Sir,

Subject: Project Approval- Feasibility Analysis of ester oil as a biodegradable liquid dielectrics for transformer

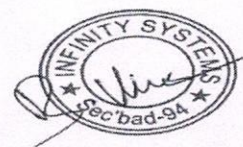

Herewith we informed you that we have approved your research project entitled “**Feasibility Analysis of ester oil as a biodegradable liquid dielectrics for transformer applications**” and funding an amount of Rs.400000/- for carrying the above research activity for period of one and half year. You need to complete the project and submit the detailed report along with utilization report on or before 30thMarch 2023.

You are not empowered to publish the research work without the prior approval of the concern authority. Regular progress on the research should be submitted to the office periodically.

We congratulate and wish you a great success ahead.

Dear Sir

We are glad to inform you that the research project title "Design Analysis and Manufacturing of an Electric-Passenger Auto with Composite Materials" submitted for financial assistance is accepted for funding with Rs 4.5 Lakh (Four Lakh Fifty Thousand Rupees only) for carrying the research and completed report should be submitted to the Head Office on or before September, 2022.

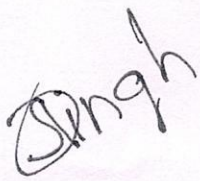

The HOD has to coordinate the concern division and submit the report. As well, the HOD directed to report the progress of research work periodically.

The amount will be transferred to the Principal Account of K.S.R.M College of Engineering and you are directed to utilize the amount with approvals of your Head of the Institution.

You are not empowered to publish the research workshop without the prior approval of the concern authority. Regular feedback on the research should be submitted to the office periodically.

Sub: Release of project fund for the implementation of the project-Reg.

We are happy to inform you that your research project proposal entitled "Synthesis of Silver Particles through Electrolysis Process" has been accepted for funding of 4,00,000 /- (Rupees four Lakhs only) for the year 2021-22. Initially, we will release the amount of 2,00,000/- (Rupees two Lakhs only) to start the project work. The remaining amount of Rs. 2,00,000/- (Rupees two Lakhs only) will be released after submission of the first review of the project work. You need to complete the project and submit the detailed report along with the utilization report on or before 31st March 2022.

Without the prior consent of the relevant authority, you are not permitted to publish the research work. Regular feedback on the research should be submitted to the office periodically.
