To

**The Principal,
K.S.R.M.C.E,
Kadapa.**

Respected Sir,

Sub: Requisition for organizing a seminar on "Construction and Stability Aspects of Well Foundation on a River" by Dr. N Darga Kumar, Asst. Prof. & Head, JNTUH Manthani.

This is to bring to your notice that it is proposed to organize a Seminar on "Construction and Stability Aspects of Well Foundation on a River" for undergraduate students of Civil engineering. Hence, we request you to permit us organize the guest lecture in KOR auditorium on 25-01-2022.

Thanking you sir,

Forwarded to principal sir

ACTIVITY REPORT

Seminar
On

"Construction and Stability Aspects of Well Foundation on a River"

25th January, 2022

Name of the Activity	Construction and Stability Aspects of Well Foundation on a River	
Type of Activity	Seminar	
Date and Time of Activity	25-01-22	10.00 pm to 1.00 Noon
Details of Participants	90	
Coordinator(s)	M.C Venkatasubbaiah & M.V Ravikishore Reddy	
Organizing Dept./Support System	Civil Engineering	
Description	<p>Dr. N.Darga kumar expressed his views about the construction procedure of well foundation in rivers based on his experience. The lecture was highly interactive and discussion between constructions of well foundation in real manner was discussed. The Guest lecture is recurring or follows more of a class, it is entirely possible to learn something new. Improving the skill of the students in way of construction of well foundations and its stability aspects. The undergraduate students who want to do regular way of construction of well foundation on river, the new area of construction aspects will help to work in future. The objective of this guest lecture was to build capacity and create awareness among students and academics to understand foundation processes, technologies, and affordable techniques.</p>
