### **Description** :

Webinar on SQUIDS was organized by Dept. of H&S on 04-05-2022 in CE seminar hall online mode. The guest speaker of this is Dr. G. Thirumala Rao. The main aim of the program is to give good knowledge to the students about the new and awesome technology that is the science of superconducting materials. By using this technology one can explain the advanced materials with tremendous applications. This webinar covered the properties, types and mechanism behind the superconductors corresponding webinar is applied in various fields like medical and industrial.
