The Principal,
K.S.R.M. College of Engineering
Kadapa.

Respected Sir,

Sub: KSRMCE - Permission to organize National level Students Technical fest – Request - Reg.

    With reference to the cited subject, Department of Electrical & Electronics Engineering is planning to organize **National level Students Technical fest ISHANA-2K22** on 30th April 2022. In this regard, we request you to grant the necessary permission to organize the event.

This is submitted for your kind perusal.

Thanking you,

Yours Faithfully,

1. K. Kalyan Kumar

Student Co-odinator (s)	: Shaik Yousuf & Shaik Shabbir Baba
Venue of the Event	: SJ Block

Activity Description: Department of Electrical and Electronics Engineering organized "ISHANA - 2K22" A National Level Student Technical Fest on 30.04.2022. In this technical fest registrations were called from various engineering students throughout the country for the events Paper Presentation, Project Expo and coding competition - Python. A total of 38 teams from different engineering colleges were registered for the events.

The event started with the inaugural function at 10.30AM in SJ Seminar Hall. Miss. G. Priyanka of VIII Sem EEE started the session with a welcome speech and invited the guests on to the dais. Mr. S.Yousuf, Student coordinator presented the report of ISHANA - 2K22. Dr. V.S.S.Murthy, Principal, KSRMCE gave the presidential speech along with the importance of learning new technologies to become future ready. The inaugural session ended with the vote of thanks by S. Shabbir Baba, Student coordinator.

After the inaugual session events started in respective vanues in the EEE department. Paper Presentation event conducted in both online & offline mode. All the students participated very actively. students from AITS -Rajampet, SVCE - Kadapa, Santhiram Engineering College - Nandyal, GITAM - Proddatur, VSB Engineering College - Karur - Tamilnadu and KSRMCE - Kadapa participated in various events.

Valedictory function was organized at 4:00PM to announce the winners and distribute the participation certificates. Dr. K.Amaresh announced the winners in various events and presented the cash prize & merit certificates. Sri M.Bhaskar Reddy, Associate Professor presented the participation certificates and appreciation certificates to the student volunteers of the event. Participants from various colleges gave their feedback on the event and expressed their happiness and satisfactory about the hospitality and arrangements. The session ended by expressing thanks to management, Principal, HOD, Faculty, Student Coordinators, Volunteers and Participants.

ABOUT THE COLLEGE

Kandula Srinivasa Reddy Memorial (KSRM) College of Engineering was established in the year 1980, in memory of late Kandula Srinivasa Reddy, son of late Sri Kandula Obula Reddy, former Member of Parliament. The institute is approved by AICTE and Accredited by NBA twice, NAAC, ISO 9001:2015 Certified Institution and affiliated to JNTUA, Anathapuramu.

The institute also offers M.Tech. Courses in Geo technical engineering, Power systems, Renewable energy, Embedded system & VLSI design, Artificaial inteligence & Data Science. The institute has spacious campus spread over 35 acres with accommodation of over 39000 sq.m. Built-up area and surrounded by plenty of greenery.

Vision

KSRMCE seeks to be recognized as one of the best engineering colleges in India in providing high standards of academics with most productive, creative learning environment by including research, innovation thoughts and producing gradutes with human values & leadership qualities to serve nation.

Mission

* To provide high quality education in Engineering & Technology in order to bring out knowledgeable engineers.
* To creative environment a collaborative environment with stakeholders to take up need-based research and industry specific programs.
* To organize co-curricular and extracurricular activities for character and personality development to produce highly competent and motivated engineers and professionals to serve and lead the so-

ABOUT THE DEPARTMENT

The Department of Electrical & Electronics Engineering was started in the year 1981. The department is offering B.Tech course with 60 intake and M. Tech course in Power Systems with an intake of 18. The department acquired the Accreditation Status two times and got autonomous status in the year 2014. With the advent of Autonomous status, the course pattern has been significantly revised in pace with latest trends and technologies of present days. The Department has highly qualified, experienced and dedicated faculty. The Department has fully equipped laboratories to have an actual hands-on experience apart from the theoretical knowledge.

ABOUT ISHANA - 2K22

To provide a platform for students to develop technical knowledge by sharing their views in various fields and to improve their presentation skills.

EVENTS

* **Paper Presentation**
* **Project Expo**
* **Coding competition - Python**

TOPICS FOR PRESENTATION

* Electric Vehicle Technologies
* Electric Drives and its Applications
* Smart Grid& Micro Grid
* Machine Learning & Big Data Application to Electrical Engineering
* Power Systems Planning and Scheduling
* Renewable Energy Sources
* Industrial Automation
* IoT Applications
* Any other Innovative Technologies in Electrical

REGISTRATION

The Participants should register their at the registration desk on the day of event.

GENERAL INFORMATION

* **Registration fee of Rs.150/- per event** •
* The paper should be sent in IEEE format.
* The paper can have a maximum of two authors.
* Softcopy of the paper to be sent through the mail (ishana2k22@gmail.com)
* **Other state participants can present their papers through online also.**

IMPORTANT DATES

❖ Last date for submission of full paper through e-mail - 20th April 2022.
❖ Date of intimation regarding selection of paper through e-mail – 22nd April 2022.
