

# K. S. R. M. COLLEGE OF ENGINEERING

(UGC-AUTONOMOUS)

Kadapa, Andhra Pradesh, India – 516 005

Approved by AICTE, New Delhi & Affiliated to JNTUA, Ananthapuramu.

An ISO 14001:2004 & 9001:2015 Certified Institution

## 6.1.1 Additional information

### Governance

KSRMCE encourages participative decision making through a Collaborative Consultation, Diverse Involvement and Collective Deliberation of all the stakeholders.

### Nature of Governance:

- The Governing Council of KSRMCE consists of Senior Academicians, UGC Nominee, University Nominee, industry professionals and research consultants, along with management members, Principal, faculty members and Heads of the Departments.
- The Governing council takes the all decisions in alien with the vision and mission of the institute
- The governing council meeting is convened twice a year and all aspects of academic and nonacademic matters are discussed and decisions are taken to benefit all the stakeholders of the system.
- The Management strictly adheres to the recommendations of its Governing Council.
- The Principal and Heads of the Departments also participate in the deliberations of the Governing Council meetings.
- The decisions taken during the Governing Council meeting are properly documented, recorded and circulated to all concerned members and effectively implemented.
- There is an effective monitoring system in order to ensure a transparent, robust, objective and scalable process.

### Major Plans for KSRMCE in the near future as envisaged in Governing Council meeting are:

- To obtain NAAC accreditation with at least A+ grade by Feb, 2023.
- To obtain renewal of NBA accreditation for all eligible Undergraduate and Postgraduate Programmes before 2024.
- Renewal of ISO certifications in terms of quality management & environmental management
- To collaborative with IBM for offering joint degree programs.
- To establish advanced computer labs and also offer B.Tech Program in trending technologies
- To apply for funding to various agencies for research projects.
- To encourage the faculty members to acquire higher qualifications and to provide all the required facilities.
- To establish Centers of Excellence in all engineering departments.
- To collaborate with industries for consultancy projects.

### Participation of Teachers in decision making bodies:
