7.3.1. Highlight the performance of the institution in an area distinct to its priority and thrust (within a maximum of 200 words):

KSRMCE is very much interested to creating an environment for the student community to build their career according to their will. In this regard, we provide a campus recruitment training program with the help of training & placement cell as well as the career development cell. The Dean, T & P cell is inviting the professional trainers to facilitate the training program to the students and calculating their caliber, and according to their caliber the T & P cell is dividing the students into categories like software and core streams. T & P cell is having an agreement with PeeCee Castle Software Services Private Limited (SkillRack) to improve the student problem solving skills (which helps them perform well in competitive exams), programming skills by taking various practice tests, to improve number of placements, the T & P Cell is also organizing the aptitude, reasoning, coding tests, competitions and awareness programs etc.,
