| <b>Brief report on activity</b> | Ganesh Chaturthi, a nationwide festival honoring Lord Ganesh, traditionally involves Plaster of Paris idols that harm water bodies during immersion. A.Uma Shanker, from the Civil faculty, advocated for eco-friendly celebrations, stressing the need to align traditions with environmental consciousness. On-campus, students and staff crafted eco-friendly Ganesh idols using organic soil and natural colors, fostering awareness and distributing these eco idols across departments. This effort also extended to nearby villages, spreading awareness about environmentally conscious Ganesha celebrations. |                             |                     |               |                 |

| <b>Brief report on activity</b> | <p>The World Heart Day camp was inaugurated by Sri K. Chandra Obula Reddy garu, the college management's principal and director. Both the teaching and non-teaching staff actively engaged in the event. Dr. K. Niranjan Reddy graced the occasion as the chief guest and provided insightful information. The World Heart Federation (WHF), founded in 1972, is a non-governmental organization headquartered in Geneva, Switzerland. A significant development occurred in 1978 when the International Society of Cardiology merged with the International Cardiology Federation, established in 1970, resulting in the formation of the International Society and Federation of Cardiology. This entity later transitioned into the World Heart Federation in 1998. The federation is responsible for hosting the prestigious World Congress of Cardiology. The initial informal international gathering of cardiologists was held in Prague in 1933, but due to the disruptions caused by Nazism and World War II, international collaboration in the field was curtailed until 1946 when a Cardiological Congress convened in Mexico City. The first official World Congress was successfully convened in 1950. The campaign saw enthusiastic participation from students and residents of nearby villages, further enriching the event's impact.</p> |                             |                      |               |                 |

| <b>Brief report on activity</b> | <p>On 02.10.2021, our College NSS unit organized an event commemorating Mahatma Gandhi. Students and staff paid homage by meditating on his ideology, then gathered at the city's second Gandhi statue. Dr. K. Chandra Obul Reddy garu, our secretary, and Dr. V.S.S Murthy garu, the principal, adorned the statue with garlands, honoring the Father of the Nation. Joined by echoing cries of "Satyameva Jayathe" and "Ahimsa," both our college members and local residents united to celebrate Gandhi's legacy.</p> |                             |                      |        |          |

| <b>Brief report on activity</b> | <p>On October 8, 2021, the NSS unit of KSRM organized a significant road safety awareness program. Taking place near the Alankhanpalli bypass toll gate, the initiative aimed to promote responsible road behavior. Individuals riding two-wheelers on the National Highway (NH-9) without helmets were approached by our dedicated volunteers. In a gesture of concern, rose flowers were presented to these riders, accompanied by a sincere appeal to prioritize their safety and that of their loved ones by wearing helmets. Moreover, those who had already taken the responsible step of wearing helmets were rewarded with chocolates as a token of appreciation. This approach helped engage the community and create a positive impact on those traveling along the road. The event proved to be invaluable, offering crucial insights on road safety rules and practices to both the students of KSRM College and the residents of the adopted village, Kopparthi, who actively participated in this endeavor.</p> |                             |                       |        |          |

| <b>Brief report on activity</b> | <p>The NSS UNIT of KSRMCE had played a vital role in the badvel assembly elections 2021.</p> <p>Our college curriculum designed for students had really made them technically sound and it was witnessed throughout the state when we offered <b>WebCasting</b> for nearly three days to the badvel elections. All the politicians of different parties and the police department were pleased by our services and the district collector appreciated us for the role we played in creating a peaceful atmosphere inside the polling booths. | <b>Brief report on activity</b> | <p>The NSS UNIT of KSRMCE had played a vital role in the Rajampet and Kamalapuram elections 2021.</p> <p>Our college curriculum designed for students had really made them technically sound and it was witnessed throughout the state when we offered <b>Web Casting</b> for nearly three days to the Rajampet and Kamalapuram. All the politicians of different parties and the police department were pleased by our services and the district collector appreciated us for the role we played in creating a peaceful atmosphere inside the polling booths. Students were paid a decent amount after the elections.</p> |                                 |                |                 |

| <b>Brief report on activity</b> | The NSS coordinator Sri Suresh babu and NSS Member CE Sri P. Pavan Kumar along with the NSS volunteers took the pledge on National Voters day. The NSS coordinator urged the students to enroll their names in the voter list and said that the Right to vote was the basic right. We conducted group discussions between the teams and in result of this programme students were convinced that by voting they are participating in the democratic process and they can vote for leaders to represent them and their ideas, and the leaders support the citizens' interests. Finally the principal appreciated the students for their active participation and gave prizes to the winners. |                             |                        |                 |

This body changed its name in 1998 to the World Heart Federation.</p> <p>The federation hosts the World Congress of Cardiology. A preliminary and somewhat informal international meeting of cardiologists was held in Prague in 1933, but the advent of Nazism and World War II prevented further international cooperation in the field until 1946, when a Cardiological Congress took place in Mexico City. The first true World Congress was held in 1950.</p> |                             |                    |                 |

| <b>Brief report on activity</b> | <p>On the 4th of June, 2022, at 3:30 PM, the NSS (National Service Scheme) team orchestrated a remarkable Swachh Campus campaign, in perfect alignment with the vision of World Environment Day. This event was a testament to the power of collective effort in promoting a cleaner and greener environment. The enthusiastic participation of both students and staff members lent this campaign its true essence. The event also saw a symbolic act of reparation for the environment, as trees were planted in an effort to replenish the green cover. This gesture stood as a testament to the commitment of the participants to the cause of environmental preservation. Furthermore, the participants collectively took a pledge to integrate regular cleaning activities into their routine. This pledge was not just confined to the campus or village, but extended to their individual lives, fostering a culture of cleanliness and hygiene.</p> <p>s</p> |                             |                    |               |                 |

| <b>Brief report on activity</b> | <p>We visited a nearby hamlet and went to several households and created awareness for them to use eco-friendly bags and asked them not to use plastic bags. We the NSS volunteers enlightened them that the over usage of plastic leads to health hazards Which in turn leads to global warming. On this occasion, we distributed eco friendly bags to households.</p> <p>We also visited a urdu school in the vicinity and interacted with students and enlightened them regarding the usage of eco-friendly products to protect the environment and we distributed some chocolates and biscuits.</p> |                             |                |                 |

| <b>Brief report on activity</b> | <p>The dental camp was organized today on the 6th day of our ongoing "Special camp" held in a school in Kopparthy, our adopted village in the vicinity of our college. The 2 dentists exhorted the students to keep teeth clean by brushing daily twice and asked the students to gargle after taking sweet items, they demonstrated the way of brushing. The children were tested by the doctors and suggested medicines. They told students not to neglect the mouth and small problems should be brought to the notice of doctors. The NSS volunteers of KSRM took part actively and later on the sweets were distributed. The Headmistress of school and the villagers lauded the initiative taken by the NSS unit of KSRMCE, Kadapa.</p> |                             |                 |
