Activity Report on

National Sports day

29th Aug 2022

The National Sports Day in India is celebrated on 29 August, on the birth anniversary of hockey player Major Dhyan Chand. This day marks the birthday of Major Dhyan Chand Singh, the hockey player who won gold medals in Olympics for India in the years 1928, 1932 and 1936. He scored 570 goals in his career, from 1926 - 1949.

After putting his stamp on the international hockey arena, and having served his country to reach its pinnacles of glory multiple times. He was a legendary figure in Indian and world hockey. The most noted memorials for him were the Major Dhyan Chand Award, the highest award for lifetime achievement in sports and games in India, and the National Sports Day celebrations on his birthday. Major Dhyan Chand learnt the game of hockey from his coach Pankaj Gupta. There is no one who has reached his level in hockey. The birth anniversary of hockey legend Major Dhyan Chand is on 29 August 1905. The college Sports Committee organized National Sports Day 2022, on the Birth Anniversary remembrance of Major Dhyan Chand in this connection the college Sports Committee organized different Games and Sports for the Students and Staff from 24-8-2022 to 29-8-2022.

KSNR Trophy 2K23

7th April 2023 to 14th April 2023

INTRODUCTION

In addition to the physical and mental benefits, sports also have economic and societal benefits. Sports have the ability to boost the economy by creating jobs, generating revenue, and attracting tourists. It also promotes national pride and unity by bringing people together to support their country or local team. Moreover, sports have the power to inspire and motivate individuals, especially children and young adults, to pursue their dreams and goals. By providing opportunities for skill development, sports can lead to future careers in sports, fitness, and related industries. Thus, sports have a multifaceted impact on individuals, communities, and society as a whole.

ABOUT THE SPORTS COMMITTEE

A sports committee is an organizational body responsible for overseeing and managing various aspects related to sports. It is typically formed to ensure the smooth functioning and development of sports activities within a specific context, such as a school, university, professional league, or a local community.

The primary role of a sports committee is to plan, organize, and coordinate sports events and competitions. This includes setting schedules, determining rules and regulations, managing registrations, and arranging facilities and resources needed for the events.

Additionally, a sports committee may be involved in promoting sports participation, encouraging athlete development, and fostering a sports culture within the organization or community. They may organize training programs, provide coaching or mentorship, and facilitate opportunities for athletes to excel in their respective sports. Furthermore, a sports committee may address issues related to sports ethics, fair play, and disciplinary matters. They may establish codes of conduct, handle disputes or grievances, and enforce disciplinary actions when necessary.

Overall, the purpose of a sports committee is to facilitate the growth and success of sports within their jurisdiction, creating opportunities for athletes, promoting a healthy and active lifestyle, and fostering a sense of community through sports participation and events.

About the Event

KSRMCE, an esteemed educational institution located in Kadapa, Andhra Pradesh, recently organized a sports event in the name of K.S.N.R Trophy in the month of April from 7-4-2023 to 14-4-2023 in the campus. The event saw enthusiastic participation from students across different colleges in Rayalaseema Zone, showcasing their skills in various sports. The sports event had a wide range of activities, including basketball, volleyball, cricket, badminton, table tennis, and athletics. The event aimed to encourage students to engage in physical activity, promoting a healthy and active lifestyle.

The students displayed great sportsmanship and competitive spirit, with each game being fiercely contested. The event was a great opportunity for students to bond with each other and develop team-building skills. The organizers ensured that all the necessary safety measures were in place, including mandatory mask-wearing and social distancing guidelines. The winners were felicitated by the college management and received prizes and certificates for their outstanding performances.

The event was a resounding success, and students expressed their enthusiasm for more such events to be organized in the future. Overall, the sports event organized by KSRMCE was a great success and a testament to the college's commitment to promoting sports and physical activity among its students.

National Sports day

29th Aug 2021

The National Sports Day in India is celebrated on 29 August, on the birth anniversary of hockey player Major Dhyhan Chand. This day marks the birthday of Major Dhyhan Chand Singh, the hockey player who won gold medals in Olympics for India in the years 1928, 1932 and 1936. He scored 570 goals in his career, from 1926 - 1949.

After putting his stamp on the international hockey arena, and having served his country to reach its pinnacles of glory multiple times. He was a legendary figure in Indian and world hockey. The most noted memorials for him were the Major Dhyhan Chand Award, the highest award for lifetime achievement in sports and games in India, and the National Sports Day celebrations on his birthday. Major Dhyhan Chand learnt the game of hockey from his coach Pankaj Gupta. There is no one who has reached his level in hockey. The birth anniversary of hockey legend Major Dhyhan Chand is on 29 August 1905.

The college Sports Committee organized National Sports Day 2K21, on the remembrance of Major Dhyanchand in this connection Sri K.Chandra Obula Reddy garu was invited as Chief Guest. Annual Sports day

21st Mar 2022

Physical Education is an integral part of the total education system. It helps in the attainment of the ultimate aim of education i.e. the achievement of holistic development. Games and Sports play a vital role in the student's life. A student should study hard to be successful in competitive examinations. But, he should also play games and sports to enjoy the health and vigour of life. Along with bookish learning, a student should spend his time on games and sports also. Either study or work alone makes us exhausted. We remain no longer efficient to do any work. Sports remove our mental exhaustion. Education without sports is incomplete. The Department of Physical Education and Sports marks itself as one amongst the most efficacious Department of **K.S.R.M College of Engineering**.

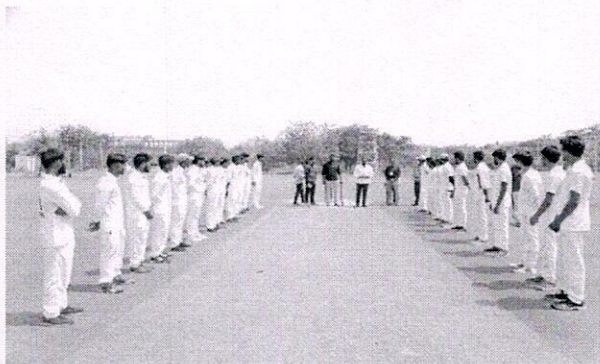

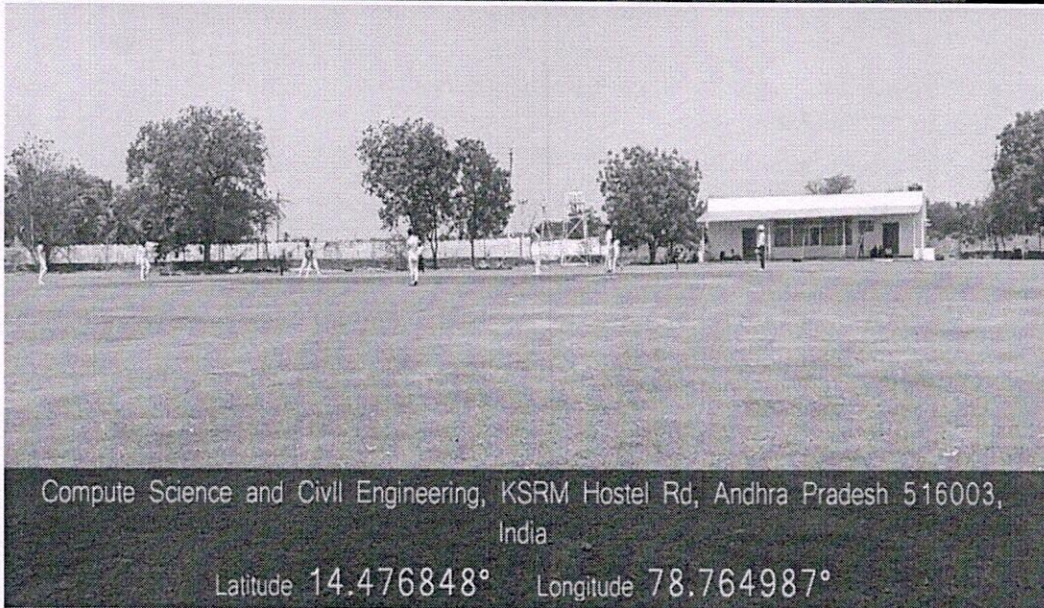

The sports will enable the students and staff to have fun, learn new sports, enhance social interaction and test one's physical capability. These competitions also offer a break from the daily routine tasks and recreate or re-energetic them.

After completion of the event, the following is the list of students who stood as Winners and Runners.

Activity Report on

Annual Sports day

28th Feb 2020

Physical Education is an integral part of the total education system. It helps in the attainment of the ultimate aim of education i.e. the achievement of holistic development. Games and Sports play a vital role in the student's life. A student should study hard to be successful in competitive examinations. But, he should also play games and sports to enjoy the health and vigour of life. Along with bookish learning, a student should spend his time on games and sports also. Either study or work alone makes us exhausted. We remain no longer efficient to do any work. Sports remove our mental exhaustion. Education without sports is incomplete. The Department of Physical Education and Sports marks itself as one amongst the most efficacious Department of **K.S.R.M College of Engineering**.

It strives to excel at all levels and bring laurels to the college. With the help of college faculty we are continuously improving in the sports field. Considering the concept of "**SPORTS FOR ALL**" throughout the entire Semester we organized Inter-department tournaments for students as well as some sports activities for staff (teaching and non-teaching) from 23-02-2020 to 27-02-2020. It is one of the largest co-curricular activity programs that offer an extensive opportunity to all the students and staff.

These sports will enable the students and staff to have fun, learn new sports, enhance social interaction and test one's physical capability. These competitions also offer a break from the daily routine tasks and recreate or re-energetic them.

The following events have been organized for the inter-department sports tournament of the students. After completion of different events the following is the list of students who stood as Winners and Runners.

Sports on Independence Day Celebrations

15th Aug 2018

Physical Education is an integral part of the total education system. It helps in the attainment of the ultimate aim of education i.e. the achievement of holistic development. Games and Sports play a vital role in the student's life. A student should study hard to be successful in competitive examinations. But, he should also play games and sports to enjoy the health and vigour of life. Along with bookish learning, a student should spend his time on games and sports also. Either study or work alone makes us exhausted. We remain no longer efficient to do any work. Sports remove our mental exhaustion. Education without sports is incomplete. The Department of Physical Education and Sports marks itself as one amongst the most efficacious Department of **K.S.R.M College of Engineering**.
