Vision: To produce globally competitive and self-distinguished Computer Engineers with innovative skills, moral values and social concern by providing education of global standards and research in the field of Computer Science and Engineering.

Mission: M1: To produce globally competent and qualified computer professionals.

M2: To impart high quality professional training with emphasis on basic principles of Computer Science and Engineering and to foster leading edge research in the fast-changing field.

M3: To facilitate the students to work with recent tools and technologies and train the students by inculcating the spirit of ethical values contributing to societal ethics.

ACTIVITY REPORT

Debate Competition "BATTLE OF MINDS"

29th Nov, 2022

Target Group	:	B. Tech III, V, VII Semester ECE Students
Details of Participants	:	35 Students
Co-Ordinator	:	Miss S. Jabeen, Asst. Prof, Dept. of ECE
Organizing Department	:	Department of E.C.E / ECHO / IETE SF
Venue	:	SJ Seminar Hall
Description	:	A debate competition is conducted for III, V & VII Sem students of Electronics and Communication Department on 29/11/2022. Total of 35 students actively participated in the competition. The aim of organizing debate competition was to hone the public speaking skills of the students and teach them to be articulate while expressing their thoughts and opinions. The session was the kaleidoscope of opinions, thoughts and perspective that enhance the knowledge. Unsurprisingly, this led to a wide spectrum of contrasting views on the given topics

- Values or wealth? Which one is necessary to survive?
- Has social media improved people's relationships?
- Is Technology raising Unemployment rates?

Points presented were accepted by the spectators with cheers and claps. Some of the points even made us think about the facts. There was so much talent in the room. Arguments were made and roved. The competition was so interesting with the exchange of student's perspective by equally stating the merits and demerits.

The event was judged by

1. Dr. S. Zahiruddin, Assoc. Professor
2. Sri R. V. Sreehari, Assoc. Professor

To
The Principal,
KSRMCE,
Kadapa.

Respected Sir,

Sub: Seeking permission to organize a project expo namely "PROLIFIC – 2K23" on 09/02/2023 – Req- Reg.

The Department of Electronics and Communication Engineering in association with IUCEE is planning to organize "PROLIFIC – 2K23", a project expo on 9th February, 2023 from 10.30 AM to 1.30 PM in Microprocessors and Microcontrollers Lab (SJ317). In this regard, I kindly request you to grant permission to organize the event.

Thanking you sir,

Yours faithfully,

(R.V. Sreehari, Associate Prof., ECE Dept.)

Report of “PROLIFIC 2K23 - A Project Expo” on 09/02/2023

Target Group	:	All B.Tech Students
Details of Participants	:	32 Students
Students visited the expo	:	172
Co-ordinator(s)	:	Sri R.V. Sreehari
Organizing Department	:	Electronics and Communication Engineering
Venue	:	Microprocessors & Microcontrollers lab SJ 317, ECE Department

Description:

The KSRMCE IUCEE Student Chapter and the Department of ECE organized “Prolific 2K23” - a Project Expo. The Co-ordinator of the Event is Sri R.V. Sreehari, Associate Professor, Department of ECE, KSRMCE.

This expo is mainly aimed at bringing out the effective, innovative solutions to real life problems. All the Presentations were systematically ordered by the respective teams. Some of the developed models titled are Bus Tracking System, Anti sleep alarm and alert system, Web Server Creation using Arduino, Bi-directional visitors counter, ECG & heart Monitoring system, Smart Lock, RFID based bus fee penalty system using Arduino, Water level monitoring system, Smart Umbrella, Accident detection and Prevention system, Smart Kitchen, Smart Refrigerator, Smart Electric meter.

The Principal graced the expo and gave his valuable suggestions to all the project teams. All the Heads of the Department, Deans, and many faculty attended the Expo and suggested their ideas for the further improvement of the model.

Then after most of the II & III year students interacted with all the project model presenters and gained their knowledge regarding the practical applications. After all the Principal, Deans, Faculty and participants were given the refreshments.

Finally, the Expo ended with a photography session with the Principal, Head of the department, Dean academics, R.V. Sreehari and students along with the developed project models.

Kadapa.

Respected Sir,

//THROUGH PROPER CHANNEL//

Sub: KSRMCE-CSI Local Chapter - Request for granting permission to conduct "PY QUIZ" Program by
CSI Local Chapter- Reg.

It is being brought to your kind notice that, with reference to the cited, CSI Local Chapter is going to conduct "PY QUIZ" Program for Computer science and engineering (CSE) & Artificial Intelligence and Machine Learning (AIML) students at ML Lab(MB-209) Main block shall be on 18 MAY 2023. In this regard I kindly request you to give us permission to conduct the above event.

Thanking you

Yours Faithfully

(B. Swetha)

ACTIVITY REPORT

ECHO EVENT

"CRICKET MATCH"

13th and 14th December, 2021

Target Group	:	ECE Students of all Semesters
Number of Participants	:	36 Students
Event Co-ordinator(s)	:	Md. Mahaboob Pasha, Asst.Prof, ECE S. Munawar Ali, Asst.Prof, ECE-Dept
Organizing Department	:	Electronics and Communication Engg
Venue	:	Playground Beside SJ Block
Description	:	

ECHO (Electronics and Communication Heuristic Organization) has been started 30 years before in KSRMCE, aiming to motivate the students towards the technology and trends that are currently existing. It provides the awareness in the students about the advancements in the ECE field and to improve the communication skills and presentation skills. ECE is one of the largest and fastest growing fields of engineering. The present Global Technology revolution is changing the world and is offering challenging opportunities to specifically Engineers.

ECHO conducted "CRICKET MATCH" on 13-12-2021 and 14-12-2021 at Playground beside SJ block. Extra-curricular activities like games and sports

makes students refresh their minds and also physical activities keeps them fit. To encourage students in extra-curricular activities ECHO organized this Cricket Match Each team consisting of 12 members from B. Tech. III, V and VII sem ECE students participated in the cricket match. As per the fixtures first V and VII sem teams played the match on 13-12-2021 and in that VII sem students won the match and qualified for the final. Final match was played between VII and III sem students on 14-12-2021 and in that VII sem students won the match and stood winners. Head of the department, Coordinators, faculty and students of ECE department congratulated the winners.

"PROJECT EXPO"

17th February, 2022

REPORT

Target Group : All ECE Students

Details of Participants : 55 Students

Coordinator : Dr. S. Zahiruddin, Associate Professor, ECE

Co-coordinator : Sri. P. Krishna Teja Yadav, Assistant Professor,
ECE

Organizing Department: Electronics & Communication Engineering

Venue : IoT lab, SJ 215

Judges : Dr. S. Zahiruddin, Associate Professor, ECE
Sri. K. Pavan Kumar, Assistant Professor, ECE

Major objective of organizing Project Expo is to provide the platform and unleash the potential of the students by showcasing their innovative projects developed in the ECE stream, as Industry Defined Problem or User Defined Problem and provide an opportunity for the students to demonstrate their learning. The outcome of the event was that students were able to show their project at higher level and the process boosted their confidence.

The inaugural of the project expo witnessed the presence of Prof. V.S.S. Murthy, Principal, along with the faculty and staff members of Department of ECE.

Prof. G. Hemalatha, HOD, ECE Department formally welcomed the principal.

Prof M. VenkataNarayana, Dean of CRI, in his motivational address emphasized on the importance of learning new technologies and tools for the students.

ACTIVITY REPORT

Debate Competition "BATTLE OF MINDS"

29th Nov, 2022

Target Group	:	B. Tech III, V, VII Semester ECE Students
Details of Participants	:	35 Students
Co-Ordinator	:	Miss S. Jabeen, Asst. Prof, Dept. of ECE
Organizing Department	:	Department of E.C.E / ECHO / IETE SF
Venue	:	SJ Seminar Hall
Description	:	A debate competition is conducted for III, V & VII Sem students of Electronics and Communication Department on 29/11/2022. Total of 35 students actively participated in the competition. The aim of organizing debate competition was to hone the public speaking skills of the students and teach them to be articulate while expressing their thoughts and opinions. The session was the kaleidoscope of opinions, thoughts and perspective that enhance the knowledge. Unsurprisingly, this led to a wide spectrum of contrasting views on the given topics

- Values or wealth? Which one is necessary to survive?
- Has social media improved people's relationships?
- Is Technology raising Unemployment rates?

Points presented were accepted by the spectators with cheers and claps. Some of the points even made us think about the facts. There was so much talent in the room. Arguments were made and roved. The competition was so interesting with the exchange of student's perspective by equally stating the merits and demerits.

The event was judged by

1. Dr. S. Zahiruddin, Assoc. Professor
2. Sri R. V. Sreehari, Assoc. Professor
