SUMMARY SHEET			
Criterion – 1		CURRICULAR ASPECTS	
Metric No:	1.4.1	Structured feedback for curriculum and its transaction is regularly obtained from stakeholders like Students, Teachers, Employers, Alumni, Academic peers etc., and Feedback processes of the institution may be classified as follows:	
DVV Query		HEI has provided copies of feedback obtained from diverse stakeholder groups, along with feedback analysis, action reports, and Board of Studies minutes, thereby affirming the stated assertion. However, to ensure validation, it is necessary to furnish feedback forms for the top ten students in the final semester of the following programs: B.Tech-ME, M.Tech-RE, B.Tech-ECE, and M.Tech-ES&VLSI, for the academic years 2020-21 and 2021-22. These forms should be segregated by academic year. Additionally, HEI is requested to submit feedback documents received from its alumni for the most recent academic year under review.	
HEI's Response		<p>As per your suggestion we are attaching the feedback of top 10 students of the UG programs B.Tech-ME and B.Tech-ECE for the academic years 2020-21 and 2021-22. Also we are submitting the feedback collected from the alumni for the academic year 2022 - 2023.</p> <p>Here, we are bringing to kind notice that the following programs M.Tech-RE and M.Tech-ES&VLSI are introduced in the academic year of 2021-2022. Hence, there are no final year students in the above PG programs in these specified academic years (2020-21 and 2021-22). So, the HEI regrets to inform you that we are not able to submit the feedback.</p>
