SUMMARY SHEET		
Criterion – 3	Research, Innovations and Extension	
Metric No:	3.4.4	Number of books and chapters in edited volumes published per teacher during the last 5 Years.
DVV Query	Publications in Calendar year 2023 is beyond assessment period. In calendar year-wise block, for each publication, HEI is directed to provide, in a structured manner, the following details categorically: 1. The name of the author(s), 2. A hyperlink directing to the published book or papers featured in national/international conference proceedings, 3. ISBN number 4. The cover page, table of contents, and the first page of the referenced publications. The data must be organized chronologically, categorized by year, with each entry distinguished by the title of the publication and supplemented with pertinent publication details. Special attention should be given to accurately highlighting the author(s) name(s), the name of HEI, and the year of publication. ;; Publication authored by several teachers, for instance, "Encyclopedia of Mathematical Geosciences; Object-Based Image Analysis" should be claimed as one.	
HEI's Response	The HEI is hereby providing the details of the books and chapters in a structured manner with categorical details to comply with the DVVs requirement. View Document
