Approved by AICTE, New Delhi & Affiliated to JNTUA, Ananthapuramu.

An ISO 14001:2004 & 9001:2015 Certified Institution

NAAC DVV Clarifications		
SUMMARY SHEET		
Criterion – 4	Infrastructure and Learning Resources	
Metric No:	4.3.2	Student - Computer ratio (Data for the latest completed academic year)
DVV Query	The suggestion for procuring 1003 computers lacks substantiation. Moreover, HEI must supply geo-tagged photographs captured on the same date and at proximate times, supplemented with any additional pertinent information to corroborate the exclusive utilization of acquired computers for educational purposes, precluding any administrative applications. Additionally, HEI is mandated to furnish, in an organized manner, the following documentation: 1. Highlighted stock entries pertaining exclusively to computers designated for student usage, segregated by academic year and arranged chronologically. 2. Tax invoices arranged in chronological order.	
HEI's Response	The HEI has established computer labs across the campus with 1003 computers exclusively for academic purposes in-order to cater the academic needs of the students as per the curriculum, as well as a learning environment to conduct training programs for the students for Skill upgradation without disturbing the curriculum lab schedules and thereby making the students employable. We are submitting the following which are required by DVV. (1) Entry of Stock Register with highlighting entry of computers (2) Tax invoices (3) Geo-tagged photographs of Computers used for students taken on same date at proximate times.	
1	Entry of Stock Register with highlighting entry of computers	View Document
2	Tax invoices	View Document
3	Geo-tagged Photographs of computers used for students	View Document
