DVV Query	HEI needs to provide, only for AY2022-23, the program wise, and semester-wise break-up of the number of beneficiaries, and amount disbursed, under the Jagananna Vidya Deevena schemes, duly certified by principal. Furthermore, pertinent details such as modes of transfer and transaction particulars are absent from the provided documents. It is noteworthy that contemporary government agencies disburse benefits through online portals, and thus HEI should have sourced the list from authenticated means to ensure credibility.	
HEI's Response	<p>The HEI had submitted the list of students (2026 number of students) who are eligible and had submitted the applications to the Govt. of AP for reimbursement of Tuition Fee for the AY 2022-2023. The government had declared that 54 students are ineligible for the scholarship. Hence, the total number of eligible students are 1972 out of 2743 i.e., 71.89% of students are eligible and have received an amount of Rs. 11,17,84,050/- for the AY 2022-2023.</p> <p>We are providing the program wise, and semester-wise break-up of the number of beneficiaries, and amount disbursed, under the Jagananna Vidya Deevena schemes, in support of the beneficiaries and the amount disbursed by the government duly certified by principal for the year AY 2022-2023. HEI brings to your kind notice that, in our State of A.P (Andhra Pradesh), the tuition fee to the eligible students is being reimbursed by the Government namely RTF (Reimbursement of Tuition Fee) to the college bank account for the AYs 2018-2019 and 2019-2020. As per new policy "Jagananna Vidya Deevena (JVD)" of the AP state government, the RTF of student's was credited to their Mother's Bank account for the AYs 2020-2021, 2021-2022 and 2022-2023. The GO in respect of JVD is attached for your kind perusal. We are also providing the statement, downloaded from the JVD portal, detailing the IFSC and Bank Account details of the beneficiaries to whom the Tuition Fee was credited by the government. The same is attested by the Principal.</p>
