Report	<p>To fulfil the Industry goals and requirements, the Department of Electrical and Electronics Engineering conducted a certification course on “Advanced English Communication Lab” from 04-03-2019 to 23-03-2019. The course started with an introductory and interactive talk on “Advanced English Communication Lab” by the resource person Mr. K Vijaya Bhaskar Reddy, Assistant Professor in H&S, KSRMCE.</p> <p>The English Communication Lab is a valuable resource for improving my communication skills in English. Throughout the lab sessions, I have learned and practiced various aspects of English communication, including listening, speaking, reading, and writing. In this report, I will summarize my experience in the lab and evaluate my progress and achievements.</p> <p>During the lab sessions, we engaged in a variety of activities and exercises to improve our communication skills. We listened to audio recordings and watched videos to improve our listening comprehension and pronunciation. We also participated in group discussions and debates to improve our speaking and critical thinking skills. In addition, we practiced writing essays, reports, and summaries to improve our writing skills.</p> <p>Through the English Communication Lab, I have made significant progress in my communication skills. My listening comprehension has improved, and I can now understand a wider range of English accents and speech patterns. My speaking skills have also improved, and I can</p>

	<p>now express my ideas more clearly and confidently. I have also improved my writing skills, and I can now write more organized and cohesive essays and reports.</p> <p>Overall, the English Communication Lab has been an excellent learning experience for me. I have gained valuable skills and confidence in communicating in English. I am grateful for the opportunity to participate in the lab and would recommend it to other students who want to improve their communication skills.</p>
