Report

To fulfil the Industry goals and requirements, the Department of Electrical and Electronics Engineering conducted a certification course on “**Advanced English Communication Lab**” from 04-03-2019 to 23-03-2019. The course started with an introductory and interactive talk on “Advanced English Communication Lab” by the resource person Mr. K Eswara Reddy, Assistant Professor in H&S, KSRMCE.

Introduction: Start by introducing the lab and briefly explaining its purpose.

Lab Activities: Describe the different activities you participated in during the lab, such as presentations, group discussions, role-plays, or writing exercises.

Skills Development: Discuss how the lab helped you improve your English language skills, such as speaking, listening, reading, or writing. Provide examples of how you applied the skills you learned in the lab to real-life situations.

Challenges: Describe any challenges you faced during the lab, such as difficulty understanding the instructor or fellow students, or struggling to express yourself in English.

Solutions: Explain how you overcame these challenges, whether it was through asking for help, practicing more, or using online resources
