ANNUAL e-GOVERNANCE REPORT FOR AY-2022-23

The principal of KSRMCE is pleased to present the annual e-Governance report of the institution for the academic year-2022-23.

The college has implemented e-Governance in the following areas of operation:

1. Administration
2. Finance and Accounts
3. Student Admission and Support
4. Examination

The details are as follows

1. Implementation of e-Governance in Administration:

The college website is used for hosting information and notices from time to time related to administration and students. The website is continuously updated with respect to Conferences, Workshops, Placements and information relate to various committees. Exam results, academic calendars, time tables etc., are hosted in college website. Feedback and action taken reports, various MoUs and mandatory disclosures are also hosted in website.

The college submits it's data such as teachers, student admissions, examination results, programs, infrastructure related developments student teacher ratio etc in AICTE portal and AISHE portal and state government website. The institution is well supported by Wi-Fi network and the communications in the administration happens through e-mails which include policies, rules, regulations, committees, issues, circulars etc are delivered paperless to the staff and stakeholders. Institution has provided emails to the faculty in the @ksrmce.ac.in domain and at the department level, faculty have created a group in social networks for effective communications

The institution has procured ECAP software offered by Webpros Solutions, Vishakhapatnam for better and efficient e-Governance in Administration.

2. Implementation of e-Governance in Student Admission and support:

The admission details including branch, registration number, category admit year are uploaded in state government websites. Further details like fee reimbursement and other financial benefits received from state government are uploaded. The College maintains the student admission record, reservation quotas, fee

details, and student approvals. The college has adopted WEBPROS software to include the above details. College has provided emails to the students in the @ksrmce.ac.in domain and at the department level, students have created a group in social networks for effective communications.

3. Implementation of e-Governance in finance and Accounts:

For ease of maintaining accounts, the institution is already using Tally software. This is used to maintain records, managing accounts, payables, receivables and cheques. The salary accounts, EPF statements, student related transactions are properly maintained. It is used to simplify the daily account activities. The institution has successfully implemented cashless fee payments through net banking and UPI transactions.

4. Implementation of e-Governance in Examination:

The internal and external exam related information is posted in college website. The Exam section adopted JNTUA examination software for its operation. Filling of examination forms, obtaining hall tickets, exam fee payment, receiving of examination papers, uploading of marks, posting of results etc., everything is done in online manner.

The total expenditure incurred towards e-governance during the year 2022-23 is Rs.1,60,370
