

Annual Report-2022-23

Academics

To Meet the local/ national/ regional/ global developmental needs of the society, KSRMCE has formulated the curriculum in accordance of undergraduate and post graduate programs in tune with vision and mission of the institution also ensuring with the guidelines of AICTE, UGC and affiliating university by considering the feedback from all the stake holders, benchmark the curriculum with reputed national institutions. To ensure the attainment of domain-specific knowledge and skills in relation with course outcomes Program Specific Outcomes for each program that have been formulated and the Graduate Attributes are adopted as Program Outcomes. Institute has introduced a concept called Knowledge beyond curriculum in it, we offer value-added courses, skill courses and certificate programs to the students to enrich their knowledge as per the current industry requirements. KSRMCE has introduced Choice Based Credit System (CBCS), self-learning courses using MOOCS platform through Swayam, NPTEL, Course era, Edx etc. for the benefit of the students.

Courses Offered: Bachelor of Technology (B.Tech) -

S. No	Department	Intake
1	Civil Engineering	120
2	Electrical & Electronics Engineering	60
3	Mechanical Engineering	120
4	Electronics and Communication Engineering	180
5	Computer Science and Engineering	180
6.	Artificial Intelligence and Machine Learning	60
