KSRMCE is committed to providing a barrier-free environment for all students, faculty, and staff, including those with disabilities. We have implemented a number of measures to ensure that our campus is accessible to everyone, regardless of their abilities.

### Physical accessibility –

- Ramps and lifts: All of our buildings are equipped with ramps
- Doors and doorways: All doors and doorways are wide enough to accommodate wheelchairs and other mobility aids.
- Washrooms: Our washrooms are designed to be accessible to people with disabilities, with features such as grab bars, lowered sinks, and raised toilets.
- Signage: All of our signs are clear and easy to read.
- Parking: We have reserved parking spaces for people with disabilities in all of our parking lots.

### Assistive technology –

- Accessible website: Our website is designed to be accessible to people with disabilities and with features such as screen-reader compatibility
- Screen-reading software: We provide screen-reading software to students and faculty who are blind or visually impaired.
- Other assistive technology: We also provide other assistive technology, such as amplified phones, closed captioning devices, and sign language interpreters, to students and faculty who need them.

### Additional measures –

- Disability awareness training: All of our faculty and staff are required to complete disability awareness training so that they can better understand and support the needs of students and colleagues with disabilities.
- Disability services office: We have a disability services office that provides support to students with disabilities. This office can help students with accommodations, such as extended test time and note-taking assistance.

We are constantly working to improve the accessibility of our campus and to ensure that everyone feels welcome and included.
