The chairman, BOS is authorized to make any changes/modifications in the course structure and in the content if needed in due course of time

out come of the meeting

- (1) To put two Geo technical laboratories.
- (2) To shift the Engineering Mechanics to second year first semester
- (3) The members advised to stick on to the guidelines required by achieving NBA accreditation in framing the syllabus sequence

Present

1. Prof. A. Mohan Reddy
- (2) Prof. M. Sreemivasulu - ~~Present~~
- (3) Prof. K. Rajasekhar - M. In
- (4) Prof. C. Sasidhar - Absent
5. Dr. G. Sreemivasa Reddy - (M. In)
6. Dr. T. Kiran Kumar -
7. V. Giradhar - ~~Present~~
8. P. Suresh. Praveen Kumar - ~~Present~~

BOS Meeting

Date: 15/06/2016

Agenda: To discuss about curriculams of 3rd, 4th, 5th, 6th, 7th & 8th semesters of RIS regulations and modifications.

Modifications

1. To Put one Geotechnical laboratory instead of two.
2. The subject theory and concerned lab preferably in the same semester.
3. open elective non-core should be put 8th semester with
4. All design subjects should be renamed as design and drawing subjects.
5. To facilitate students to select one of specialization in all three ^{stream} electives.
6. Members strongly suggested to ^{make an} shift ~~Engineering Mechanics~~ ^{should be} in 2nd sem^{ester} shifted to 2nd semester such that all structural subjects will be placed in lower semesters.
7. The members advised to stick on to

Syllabus Sequence
