- ii. \$500.

b. Where you have been refused a visa but have already commenced the program the amount of refund payable is the unspent portion of the tuition fees. No refund is payable for non-tuition fees. 6.2.7. If you have not withdrawn from the program and:

- i. the program ceases being provided after it has started and before it is completed; or
- ii. the program is not provided in full to you because the University has a sanction imposed by a government regulator; you are entitled to a partial refund of the program fees that have been paid by you. The refund will be calculated using the following formula: $refund\ amount = weekly\ tuition\ fee \times weeks\ in\ default\ period$. The default period is the number of weeks remaining in the term where you are unable to study.

6.2.8. In the unlikely event that the University is unable to deliver the program in full or the provider has not entered into an agreement with you, you will be offered a refund based on the formula above. Refunds of credit balance will normally be made in the currency of your country of permanent residence.

6.5.2. Credit amounts on your account up to and including \$100AUD will be forfeited to the University and processed as a forfeit of an insignificant credit balance. The University deems that credit balances are insignificant balances if the credit balance is \$100 or less and your program status is inactive for more than one (1) semester.

6.5.3. If you have unclaimed credit amounts greater than \$100AUD you will be notified in writing of their credit amount if your program status is inactive for

The estimated tuition and mandatory fee amounts are as follows:
\$17,500.00

Books and supply costs are also extra and must be paid separately to the campus bookstore at the time of purchase. All costs are approximate and subject to change. Approximate tuition and fee details can be found at www.saskpolytech.ca/programs-and-courses/international/programs.aspx.

WITHDRAWALS

Now that you have been offered a seat, should you decide to withdraw please complete our online withdrawal form at <https://saskpolytech.ca/admissions/tuition-and-fees/international-withdrawals-forms.aspx>. This will allow Sask Polytech to offer the seat to the next qualified applicant. If you withdraw you will be required to reapply should you be interested in attending Sask Polytech in the future.

Once your payment is received, if your program withdrawal is a result of a study permit being refused, it will be returned to you less a \$200 administrative fee. The permit refusal and withdrawal are required to be dated within ten business days of each other and submitted before the fifth day of the program. If you choose to withdraw for other reasons after you have paid your non-refundable deposit, it will not be returned to you. Withdrawals must be submitted before the fifth day of the program, before further program fees apply. Our goal is to provide a quality learning experience to students committed to joining the Sask Polytech community.

Remitting a significant amount of tuition and fees in advance as a non-refundable deposit demonstrates your commitment to attend and helps Sask Polytech ensure prospective qualified students are able to secure available program spaces.

For detailed information about fees and refunds, see Tuition and Fees Policy 1214 (Procedures Section 3) at www.saskpolytech.ca/about/about-us/policies-procedures.aspx.

DEFERRALS

Once we receive your payment, during approved periods you are able to defer your Supply Chain Management Moose Jaw Campus application to a following intake. See <https://saskpolytech.ca/admissions/tuition-and-fees/international-withdrawals-form.aspx>. There is no guarantee a seat will be available in the next intake. Previous payments will be applied to your new intake.

SWITCHING

Switching programs sixty days or less before this program start date incurs administrative fees. Note that an application to a new program would be required.

Important Information About Your Conditional Offer

You have a statutory right to cancel within 14 days of accepting your offer. To exercise this right, you must inform the University of your decision by a clear statement (e.g. an email or a letter). Please refer to clause 3.5 of the terms and conditions for further information on your right to cancel.

This conditional offer provides no guarantee that a CAS will be assigned to you. The University has a limited number of CAS that it can issue and due to UKVI rules that govern its status as a student sponsor, the University will only assign a CAS where it is believed that a subsequent visa application will be successful. Therefore, not withstanding your offer, the University reserves the right to refuse to assign a CAS if there is no more availability or if there are reasonable grounds for suspecting your subsequent visa application will be unsuccessful.

Once you are issued with an unconditional offer, if you are required by UKVI to demonstrate maintenance (evidence to show you have sufficient funds to cover your tuition fees and living costs), you will be required to provide this evidence to the International Admissions and Compliance Team before you will be considered for a CAS. We will only issue your CAS number once we are satisfied with the maintenance documents that you have provided to us. This is for us to determine that you have satisfactory evidence to submit to UKVI as part of your Student Visa application to demonstrate your funds and to mitigate the chance of your visa being refused. Please check tees.ac.uk/international/immigration for guidance on the University's process for assigning a CAS.
