

E-Governance policy

Objectives:

1. Implementation of E-governance in various functioning of the institution.
2. Achieving efficiency in our functioning.
3. Promoting transparency and accountability.
4. Achieving paperless administration of the institution.
5. Facilitating online internal and external communication between various entities of the institution.
6. Providing easy access to information.

Policy:

1. In order to provide simpler and efficient system of governance within the institution, it is decided to adopt and implement e-governance in maximum activities of our functioning.
2. The institution has already started with e-governance in some aspects of functioning like library, accounts, etc. But, now we have resolved to implement e-governance in many more areas and with this aim in view we have drafted this policy framework.

E-governance in following areas: For convenience purposes, the policy is divided into various areas of operation. These areas of operation are illustrative and the society reserves the right to implement e-governance even in the areas not enlisted herewith.

1. **Website:** The website of the college needs to revamp taking into account the new changes. The website should act as a mirror of the college activities and information about all activities, important notices, etc should be made easily available to the outsiders. For this purpose, a separate service provider/web designer can be appointed by the Secretary of the society. Along with it, training should be given to the existing staff and persons should be identified who will undertake the responsibility of website administration and updating at the college level.
2. **Student Admission:** The College has decided to process all admissions in online mode. This will cover admissions to all courses whether graduate, post graduate or autonomous courses. For this purpose, an arrangement can be entered into with a reputed banking company preferable State Bank of India with whom the society maintains all its accounts. The Secretary of the Society is given the authority to take appropriate decisions and identify the persons responsible for implementation of this aspect of the policy.

3. **Accounts:** For ease of maintaining accounts, the society is already using Tally software. But, with new accounting methods and compliances, it has become necessary to procure other softwares as well. Accordingly, requirements should be assessed by the Secretary by discussion with accountant and other accounts staff and accordingly new softwares may be purchased. Appropriate security measures should be taken for maintaining confidentiality of the transactions. Training to the existing staff and updation of the existing softwares must be done on timely basis.
4. **Administration:** To provide a hassle free, convenient and cheap process, maximum of the administration of the society should be handled with ICT based technology. Facilities should be provided for online leave management of employees, e copy of salary certificates, internal communication between the employees interse, etc. Students also must be able to obtain maximum services like transfer certificates, bonafide certificates, etc. in online mode.
5. **Examination:** As per the directions of the University, it is mandatory to handle examination in online manner. Filling of examination forms, revaluation forms, photocopy forms, obtaining hall tickets, receiving of examination papers, uploading of marks, etc. everything has to be done in online manner. Utmost secrecy and confidentiality needs to be maintained while handling examinations and work needs to be done utmost care and caution. College Examination Officer needs to supervise the entire process of examination under the guidance of the Principal of the college.
