

## ALUMNI MEET 2014

Alumni meet conducted on 09/05/2014 at KSRMCE, at a count of 433 alumnus were attended to the meet .

The schedule for the meet is given below. Alumnus visited the entire college and recollected their memories at the time of their graduation, they are happy to see our college with a new environment and discussed that college has changed a lot in a different aspects from then and now.

They interacted with the students and discussed about development activities have been taken place from their period to present time.

Alumnus advised the present students how to overcome difficulties and face the challenges to settle in life in successful manner.

They had a meeting with principal, director, correspondent and placement officer. In this connection, they have discussed about placements in our college and they assured that they will try to bring the companies to our campus, and they are willing to provide the internships to our

students and they are also ready to give the guest lecturers to the students about the latest industry requirements that help the students to get the placements.

Finally, they felt very happy about the meet for gathering all their old friends and batch mates and shared their memories with the faculty. And also appreciated our college management for conducting this meeting and they requesting to conduct reunions at regular intervals .
