Description	<p>KSRM Engineering College 1990-1994 batch engineering students meet was held at the college on Saturday 27th July, 2019. College campus reverberated with cheer, laughter and festive activities when old students gathered to celebrate reunion and recall the pleasant memories with the faculty. Speaking on this occasion, the college correspondent Sri. Kandula Sivananda Reddy said that plans were prepared for the development of the college. He briefed about the growth of KSRMCE and suggested that the alumni must guide the present student community on various opportunities in engineering. Not just to share the nostalgic moments but to show their gratitude to the institution, which helped them to build their careers. Addressing the alumni, Director Prof. A. Mohan said that alumni are proud ambassadors of college. He sought cooperation of the old students for the development of the college. The college principal Dr. V.S.S. Murthy, explained present courses and facilities available in the college to the old students. Alumni meeting Coordinator Sri. Rama Murthy Naik said that because of discipline learnt in the college, they occupied good positions. Some of the students came to the reunion all the way from the US, Singapore, Malaysia and Australia.</p>
