

Kadapa.

DA: 27/09/2021.

To,
The principal,
KSRMCE,
Kadapa.

Respected Sir,

Sub: Request to grant permission for conducting
webinar on "Industrial Automation & Control" online-Req.

The Department of EEE is going to organise webinar
on "Industrial Automation & Control". Online mode from 10:00 AM
to 12:00 PM. on 04/10/2021. The Resource person is
Dr. SMAK Azad, Sr. Assistant professor, VIT-AP University.

In this regard, I request you to give permission for
conducting the above said event and also provide
SJ-Block seminar hall for smooth conduction of the
event, I request to sanction an advance amount of
3000/-.

Forwarded to
principal Sir,
Kindly consider or request
* give permission to
conduct above webinar

Activity Report

Name of the Activity	: Webinar
Title of the Webinar	: Industrial Automation & Control
Date of the Webinar	: 04.10.2021
Scheduled Time	: 10.00 to 11.30am
Resource Person	: Dr. S.M.A.K. Azad, Sr. Assistant Professor, VIT - AP
Target Audience	: VII Semester Students
No. of Students Attended	: 38 students
Co-coordinator(s)	: Smt. Saleha Tabassum & Kum. A. Jyothirmayi
Venue of the Event	: SJ-105

Activity Description:

Department of EEE under the banner of IEEE student's chapter organized a webinar on "Industrial Automation and Control". Resource person presented presentation on manual and automatic controls using PID controllers which are used in industrial applications and how to reduce error changes using dead band stability analysis. Students got the idea about how to use PID controllers to reduce errors fastly to maintain stability of the system using dead band stability analysis.

Activity Description:

Department of EEE in association with Alumni organized a guest lecture on Green Energy & Fundamentals of Solar PV Systems by Dr. B. Pradeep Kumar, Assistant Professor, Department of EEE, KITS, Warangal, Telangana. Resource person given excellent presentation on Green Energy and basic concepts of Solar PV Cells and explained various application of solar panels like street lights, traffic signals etc.

He also elaborated about the characteristics of Solar PV cells and his presentation improved the practical knowledge of the students. Finally with cooperation of Head of the Department, Students and Coordinators the event was completed successfully.
