Center for Research and Innovation

Workshop on Scilab Programming

Center for Research and Innovation (CRI, KSRMCE) conducted a oneday workshop on “**Scilab Programming**” for faculty members of KSRMCE on 4th May, 2019. The objective of workshop is to inculcate awareness in the minds of the teaching faculty on scilab programming and xcos simulation, in turn, teachers can utilize these ideas for their classroom instruction. The present workshop was organized by Dr. T. Mari Prasath, Assoc. Professor, Dept of EEE, and Member of CRI. On this occasion, the lectures were delivered by Prof.M. Venkatanarayana, Dean, CRI, KSRMCE, with the coordination from CRI team impressed the all the faculty members. Total 30 faculty members were participated in this workshop.

Lecture delivered by Prof. M. Venkatanarayana Feedback from the Participant Dr.T. Kiran Kumar

Short Term Training Programme on “NBA Accreditation”

The Department of CSE conducted ICT Mode (Online) Short Term Training Programme on “NBA Accreditation” in association with “National Institute of Technical Teachers Training and Research”,(NITTTR) Kolkata from 22nd April 2019 to 26th April 2019. All Engineering department HOD’s of KSRMCE and Internal Accreditation Committee members have been participated in the programme. The covered topics in the programme are **Impact of NBA Accreditation, Preparing Vision, Mission, Program Education Objectives, Preparing Course Outcomes and Program Outcomes**. Besides, preparation of SAR has been discussed widely in this training programme. Dr. R. Subbarao, from NITTTR, Kolkata, attended as the resource person of the event. Sri. S. Khaja Khizar, Asst Prof. CSE Department acted as the coordinator for this training programme.

Professors, Heads and teaching staff of various departments attended the training programme

Techmantra'19 Mechanical Department Events

MECXTROM 2K19

The Mechanical engineering department MECXTORM 2K19 organized a few activities as in part of Tech Mantra 2k19 on 23rd March,2019. The objective of the activities is to provide common platform for students across the Rayalaseema region to share their innovations and knowledge. On this occasion **Dr. D.Ravikanth**, Professor and Head of Mechanical department said that various events like paper presentation, poster presentation, technical quiz, have been organised. R.Mahesh and Sudarshan kumar, Assistant Professors, Department of Mechanical Engineering, acted as the coordinators of MECXTROM 2K19.

Paper presentation

Prize winners

1st Prize winner - Hari sivaprasad from Y.S.R Engineering college .Yogi Vemana university, PDT

2nd Prize Winner- Pavan Kumar III ME from KSRMCE

3rd Prize Winner- K.Yaswnanth reddy Ist B.Tech from KSRMCE

Dr. D. Ravikanth, Professor and Head, presenting certificate to the winner

Poster Presentations:

Prize winners

1st Prize winner – Syed M. Noumaan from KSRMCE

Title: 5G NETWORK

2nd Prize Winner- C.B .Kumar balaji from Global College of engineering, kadapa.

Title: Bionic –eye

Student receiving appreciation certificate from Dr. D. Ravikanth. Professor and Head, M.E.D

Technical Quiz

Prize winners

1st Prize winner – K.. Narasimha Prasad & B.V .Chatanya Kumar 2nd ME from KSRMCE

2nd Prize Winner- A.ASHOK KUMAR YADAV & L.V .Krishna reddy from SVCK, kadapa.

Sri.T.V.V.S.N.Murthy, Assoc.Professor and Dr. K. Raja Gopal,Professor, presenting certificates to the winners

DYNAMIC-2K19

Department of Mechanical Engineering has organised a farewell party DYNAMIC-2K19 with the theme **“No goodbyes, wherever you are , you’ll be in our hearts”** on 3rd April, 2019 from 10.00 am to 4.00 pm in the college auditorium. The third year students offered a farewell to their seniors in a grand manner.

Function began with a welcome speech delivered by Dr.D.Ravikanth, Head of the department. In the outset, he warmly welcomed all the distinguished persons on to the dias. Speaking on the occasion, he praised the outgoing students on their performance throughout their tenure at the college and wished that the students would perform well in the future and would make their alma mater proud.

Speeches were also given by faculty members and blessed the students with a happier and a successful life. They said that it will be painful to leave the friends who were part of their life in the college and advised the final year students do not forget their parents and teachers. Also, they said that students should develop a habit of being humble and honest everywhere so that that helps them in achieving a great career.

The final year students also shared their experiences with friends and professors in the college. The third year and final year students have participated in the fun games and other cultural programs. A photo session was arranged by the students. All faculty members and students were present. Final year students attended the function in traditional attire.

Students selected for jobs

A few final year B. Tech students of Mechanical engineering department were selected for M/s KIA MOTORS (SL LUMAX) in placements of that company held on the college campus last month. After the completion of placements, selected students have been involved in a one month internship programme which was organized by the company authorities as in the part of job selection. Sri.S.SankarReddy,Chairmanof the college,Sri.K.Sivananda Reddy,Correspondent; Prof. A.Mohan,Director; Dr.V.S.S.Murthy, Principal of The college; Dr. D. Ravikanth, Professor and Head of M.E.D and teaching and non-teaching staff members of M.E.D congratulated the selected students on this occasion.

Students and staff took part in the departmental celebrations

Faculty Members attended International Conference

Sri. S.Jahiruddin and Sri. T. Suman, Asst. Professors , E.C.E Department, attended an International Conference held in J.E.C.R.C University in Jaipur, Rajasthan state from 19th April to 21st April, 2019. This prestigious summit was organized on the topic entitled “ **International Conference on Power, Computer and Communication and Artificial Intelligence**”. The mentioned faculty members presented a paper together entitled “ **A Naval Smitttriger Using Second Generation Current Controlled Conveyor**”. College management , Director, Principal and staff members appreciated the participants on this occasion.

Summer Skill Development courses launched at K.S.R.M

Center for Research and Innovation (CRI, KSRMCE) launched a special summer skill development courses in association with Andhra Pradesh State Skill Development Corporation (APSSDC) ON 10th May, 2019 for all engineering students in the college. During the courses students will be trained thoroughly on the topics like revette architecture, autocad, Internet of Things, Python, Embedded systems, dassault global ...etc. Dr, M. V. Narayana, Professor and CRI Cell Head, said that "after completion of courses, students attained knowledge and they would become certified trainers to impart skill development". further, he appealed all the students should utilize the courses at maximum level.

1. Sri Achukatla Valli Bhasha, Assistant Professor in E.C.E Department, has successfully completed the requirements of Machine Learning with MATLAB Training Services on 11th and 12th March, 2019.

2. 15 members (10 Students + 5 Faculty) of K.S.R.M.C.E. have been successfully completed the NPTEL Online Courses Exam conducted on 31 March 2019. Out of 15, 4 participants acquired Elite+Silver Certificates, 1 examinee obtained Elite certificate and remaining 10 contenders received course completion Certificates. On this occasion, College management, Director Prof. A. Mohan; Principal Dr. V.S.S Murthy appreciated NPTEL College Coordinator **Sri. R. V. Sri Hari, Associate Professor, E.C.E. Department** and congratulated the NPTEL course completed staff and students for their effort to achieve success.

The End
