Description	<p>Guest lecture by one of our esteemed alumni, G. Ravi Shankar Garu, who pursued his B.Tech degree from KSRMCE during the period of 1993-1997. He currently serves as a Senior Manager at CTS-USA, bringing with him a wealth of experience and insight into the industry. The lecture aims to enhance awareness among students about industry needs in placements and provide valuable guidance for their career aspirations. During the lecture, G. Ravi Shankar Garu will delve into the evolving landscape of the industry, shedding light on emerging trends and challenges. He will emphasize the importance of aligning oneself with industry requirements to enhance employability prospects. Additionally, he will discuss the essential skills and competencies sought after by employers, offering practical advice on how students can prepare themselves for successful placements.</p>
