<p>The National Youth Day was celebrated marking the 158th birthday of Swami Vivekananda. The celebrations began with the garlanding of the</p>			

statute of Swami Vivekananda in the KOR auditorium of the college by Swami Sukritananda, Secretary, Ramakrishna mission, Kadapa. Swami Sukritananda in his Address to the youth in the auditorium said that, believe in that, do not believe that you are weak; Stand up and express the divinity within you. Therefore, arise, awake, and stop not till the goal is reached. **Vivekananda** was of the view that the **youth** can lead a successful life for themselves or for others only when they are physically fit. Teach yourselves, teach everyone his real nature, call upon the sleeping soul and see how it awakes. Power will come, glory will come, goodness will come, purity will come, and everything that is excellent will come when this sleeping soul is roused to self-conscious activity. The prizes are distributed to all the participants who took part in the competitions by the hands of Swami Sukritananda. The dignitaries on the dias felicitated Swami Sukritanada for his motivational speech. The college principal, Heads of various departments and faculty are attended for the program. Sri P.Durga Prasad, NSSPO and G.C.Venkata subbiah, Assistant professor, Department of H&S(Physics) are acted as coordinators for the program.
