

Sl. No.	Name of the teacher	Title of the paper	proceedings of the conference	Name of the conference	National / International	Year of publication
1	A.HARI Krishna	Analaysis of Methane,Hydrogen and Diesel fuel combustion behaviour on Scramjet combustor using compiutational fluid	RTAMGESE-2021	RTAMGESE-2021	International	12-03-2021 2020-2021
2	A.Hari Krishna	Prediction of split injection strategy on Diesel Engine characteristics fuel LED Waste Frying oil methyl Ester -Response surface	RTAMGESE-2021	RTAMGESE-2021	International	12-03-2021 2020-2021
3	A.Hari Krishna	optimization of Aluminium Graphine Nano Platelets composites using AL network	RTAMGESE-2021	RTAMGESE-2021	International	12-03-2021 2020-2021
1	Dr.B.Sudarshan	Optimization of turning operation on Mg Alloy (Az91)and AL alloy(64430)using Taghuchi method	ICASET-2019	ICASET-2019	International	2019
2	Dr.B.Sudarshan	Comparision of traditional manufacturing and current manufacturing trends- A review.		ICAMSME 2020	International	2019
4	Dr.A.Saravanakumar	"Effect of drill tool geometry on surface roughness in drilling of Mild steel"	International Conference On Science, Technology,	International Conference On Science, Technology,	International	2020
5	Dr.A.Saravanakumar	TRIBOLOGICAL BEHAVIOUR OF MoS2 AND GRAPHITE REINFORCED ALUMINIUM MATRIX COMPOSITES	2nd International Conference on Materials,	2nd International Conference on Materials,	International	2020
7	C.Nagaraja	contribution of thermal mismatch and orowan strengthening effect in sicp Reinforced aluminium metal matrix nano	con ference on Advances in science,engineerin	con ference on Advances in science,engineerin	international	2019
6	P.SREENIVAS	An overview of harmony search algorithm applied in identical parallel machine scheduling	An overview of harmony search algorithm applied	ICIME	national	2019
7	J.Suresh babu	Comparision of traditional manufacturing and current manufacturing trends-A review	Advances in material science and mechanical	ICAMSME-2020	International	2020
8	J.Suresh babu	Investigation of Deep groove ball -bearing vibration behavior & hoe does it affect the bearing life	Advances in science ,Engineering and technology	ICASET-19	International	2019
9	J.Suresh babu	Contribution of Thermal Mismatch and Orowan strengthening effect in sicp reinforced Aluminium metal Matrix	Advances in science ,Engineering and technology	ICASET-19	International	2019
